*I cannot say, I will not say  
That he is dead. He is just away.  
With a cheery smile, and a wave of the hand,  
He has wandered into an unknown land  
And left us dreaming how very fair  
It needs must be, since he lingers there.  
And you—oh, you who the wildest yearn  
For an old-time step, and the glad return,  
Think of him faring, on, as dear  
In the love of There as the love of Here.  
Think of him still as the same. I say,  
He is not dead—he is just away.*

# The Warrior

# Reflects on 1964-1965

It has been a long year . . . with many memories. The year started off with the usual bang—freshman initiation, but with a new class of eager seniors forever to be remembered as . . . the class of 1965. The freshman were different too. They joined the ranks of LHS with a new celestial title—ROOKS.

This day of baby powder, shave cream, and homemade concoctions was followed by memorable days of more natural appearance. There were football games on those cold nights last fall followed by those unforgettable after-game dances.

Then there was homecoming. Hopes, spirit, and South Salem's score was high that night. "All Because of Agatha" added humor and helped rescue the solemn fall quarter. Then there was the day Sadie Hawkins invaded our halls and the girls could be seen carrying books, opening doors and paying for cokes after school. There were formal times too . . . the winter formal opened December with soft lights and party dresses.

December days bring back the memory of the flood. Yes, those jolly afternoons when we would spend our lunch-hours watching the teachers parking lot fill up with water and that finally resulted in an extra day of Christmas vacation. Semester tests spiced up the new year by introducing-or forcing-study into the curriculum. That feeling of depression didn't last long though. February brought the Sweethearts Ball, and cupid who silently roamed the halls at will.

The closing months were busy ones. April made a fool out of the weather men by giving us some of the sunniest weather we had had in years. Just in time to for spring festivities. April turned up a new set of student officers and a new set of KP's to scrap tape off the windows with razor blades. Nevertheless, a new collection of election tags will clutter bottom drawers, lockers, and even books proclaiming the eternal ring, "Vote."

Prom week came in like a . . . Drip. That long awaited week was finally here, rain and all. By Tuesday the weather had cleared, but the day of the Prom, Friday, Oregon's weather had done it again. But it would take more than rain to wash away the excitement of dancing, dinner, and the memories of "Deep in a Dream" that were stored in the hearts of many as a most wonderful and never-to-be-forgotten evening passed into a dream.

"April showers bring May Day" was the ring as we elected a May Day court of our prettiest seniors. The festivities enriched an already critical case of "spring fever" for LUHS.

A long year? . . . yes. One with many memories . . . one never to be forgotten. A wonderful end to four years for seniors; exciting beginning of four years for freshmen.

It is over now, but this year has become a reflection. The thoughts, feeling, and sights are all unforgotten and are encased forever in the Warrior, the reflection of the 1964-1965 school year.

# Table of

## Administration

In the reflection of the past year we see the administration who promoted the virtues that have long been the heritage of the Warrior. The diligence, hard work, study and obedience we learned will forever be in the reflection of this past year. From our teachers we grasped new philosophies, and learned the meaning of the old. The pages devoted to our teachers recapture them as we saw them, from the students' point of view.

## Classes

There is also the reflection of the classes. We see the clusters of students around suicide corner or the hoards of anonymous classmates in the cafeteria. There are the loud ones, the quiet ones; the leaders, the followers; busy ones, the loafing ones; they are all an irreplaceable part of LUHS. We know their value most when we ask ourselves, "Where would Lebanon be without the montage of students that are found in the reflection of our halls this past year?"

## Organizations

We remember the funtimes . . . the hardtimes . . . the busy times . . . all so fixed in our memories. On those Tuesday afternoons we would leave our books behind and seek the friendship and activities provided by our organizations. They taught us how to work as a group and to enjoy the creativeness and satisfaction derived from our participation.

# Contents

## Activities

Our activity calendar for this year was crammed with activities. From the first after-game dance last fall to the long-anticipated Prom, the memorable events passed into the election. We spent many nights practicing for football, basketball and baseball. This taught us the importance and satisfaction of teamwork. Through these events we prepared and then enjoyed our school to the fullest.

## Sports

Long hard training periods paid off in the high quality of sportsmanship Lebanon Warriors showed when engaged in athletic games. Teamwork was the lesson that was taught to all. Reflecting back on the full activity events we can certainly be proud of our mighty Warriors, through Football, where the team's spirit far out did all the teams they played against; basketball, the lively motions of our team delighted the school as well as the coach; Baseball, the game of games, thrilled many a heart with daring steals to home plate; Wrestling, brawn and brains combined to a winning team and Track, skill joined with athletic ability, ran the honors of Lebanon High.

## Seniors

With four years of high school life behind them, the seniors, class of 1965 will venture forth into life. There are those who will go to college and those who will start a job; some will marry; whatever the destiny, the class of 1965 will always remain friends through a silence they have shared by being part of this class.

## Advertisements

The progressive-minded businessmen come to us in this reflection reminding us of their interest in our school. Through our town we have learned of the value of trade and industry and its place in our community. The advertising section exemplifies our knowledge of this.

# Administration

"May I congratulate the class of 1965. With pride and pleasure I reflect on your many evidences of outstanding achievement during your years at Lebanon Union High School.

"As you go forth from these halls of learning, I ask that you never forget the excellent educational opportunities provided for you by this community.

"Your future hinges on your achievement in this educational media and that of years to come. Remember this in deciding future educational advances.

"What you take with you is a sense of responsibility and a feeling of pride for your accomplishments. This is much deserved. May you never forget your friendship and what they have taught about teamwork being one of life's greatest lessons.

"I wish you well."

J. W. KING,  
Superintendent

#### TO THE STUDENTS OF LEBANON UNION HIGH SCHOOL

Once again we have reached that time of the year when the task is almost completed and the school year is drawing to a close. Sentimental thoughts, and happy moments of reminiscing will be recorded in this treasured book, your Warrior. I hope all of you can look back on the 1964-1965 year and have a feeling of pride in your accomplishments. Your parents and the community have provided excellent education opportunities for you and we all share a feeling of proudness when we look back on the year's accomplishments and the honors brought to Lebanon because of the efforts of our students.

I would like to offer my sincere congratulations to the Class of 1965 who will soon be leaving our hallowed halls to go their different ways in life. The attainment of this goal, graduation from high school, is a distinct honor and one that you can always cherish above all else. May this passport open many doors for you and give you the opportunity to gain the goals you have set for yourself. Good luck and my best wishes to every member of the Class of 1965.

Sincerely yours,  
LAWRENCE F. PAGE,  
Principal

#### A LOOK AT SCHOOL PROGRAM AND CURRICULUM

As one contemplates the high school program of the future he is mindful of the past, the dynamic present, and various projections which may be made for the future. Educational programs must be designed to meet the needs of individual citizens and society in our ever changing democratic culture.

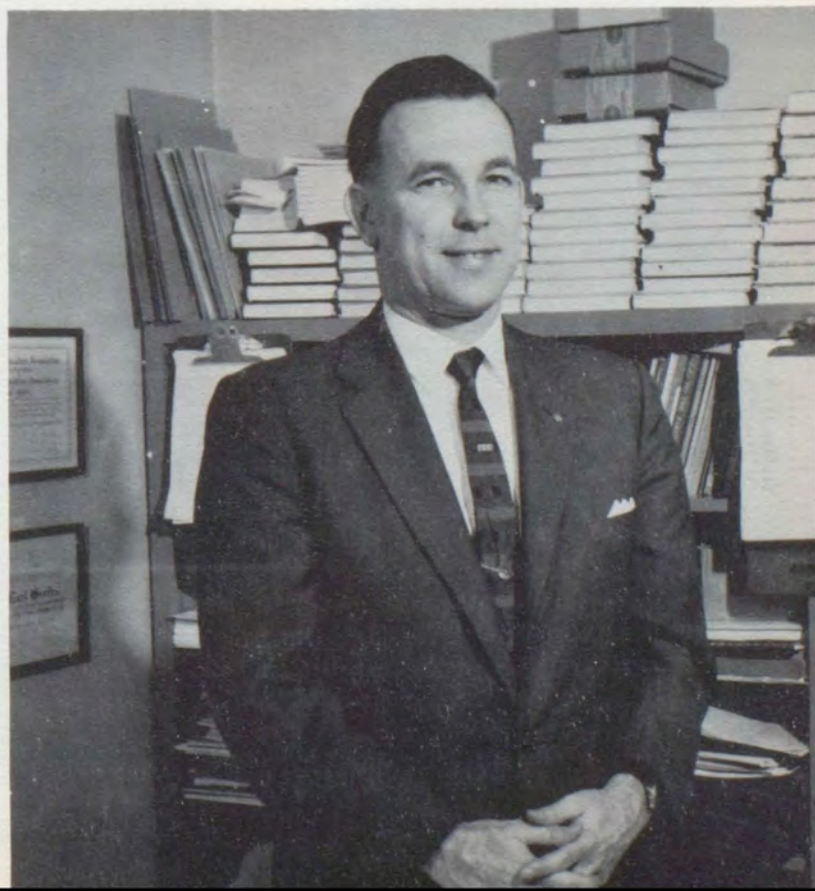

Today we have tried to take the best from the past, added it to an explosion of knowledge in all fields, and applied it to a remarkably different school and cultural situation. The high school program now serves all teenage youth and must deal with the complete range of human capacity to learn, greatly different levels of individual interest and motivation, and the complete range of problems which American youth encounter.

It may be anticipated the Lebanon High School will maintain its high standards for achievement and citizenship, further extend the comprehensive aspects of the total program to truly benefit all students and incorporate improvements in all areas of the curriculum and supporting services.

# Class

As the class of 1968 we entered LHS with high hopes, plenty of spirit, and a willingness to work. We first demonstrated this on the football field. We won six of our seven games played. Spirit was high as our cheerleaders Barbara Randall, Linda Gazeley, Teresa Moody, LaVonn Robertson, and Karen Fritz led victory cheers. When the long awaited Homecoming finally arrived freshmen selected Judy Ray as princess to represent the class. The Girls' League Formal was the next major event in our year. By selecting Martha Thomas as princess, it was the true success for us. Our spirit began showing once again as we took a close 2nd place during spirit week. The seniors may have taken first but spirit reigned throughout the freshman class. Under the leadership of our class officers, John Girod, Steve Carter, Judy Ray, and Ann Havill, we have had a very successful year. We are looking forward to three more wonderful years at LUHS, so that we may also state that the most creative years of our lives began at our freshman year and will continue throughout life.

Sophomores—We returned to Lebanon High for our second year under the leadership of President Dick Hobbs, Vice-President David Collins, secretary Karen Woods and treasurer Linda Drew. Our fall sports season was successful as we advanced to the JV team. Sophomore cheerleaders, Pam Petrik, Karen Dillard, Connie McCann, Patsy Moss, Pam Denham and Kay Cutlip advanced to the JV team and used that famous "sophomore spirit" to spur victories to our team as well as our class. Always there when our spirit grew a little tired, our peppy cheerleaders brought up our sagging spirit with many rousing yells.

# Summaries

During the fall homecoming festivities we were represented by Kim Fisher. It proved to be a very victorious night for us as we took the prize for the Homecoming float. We also were very proud to claim victory by winning the yelling trophy. With December came the Girls' League Formal and we were well prepared by sending as our class representative Lois Truax. This year has been a great one for sophomores and we are looking to returning next year as upper-classmen.

Juniors—We, the class of 1966, returned to LHS ready for the active year we would have as upper-classmen. The leadership of Mark Schmidt, Damon Huston, Pat Potts and Roxanne Beach as class officers was much needed as our junior year got off to a start. We began by joining forces with varsity football and were supported by varsity junior cheerleaders Judy Manthe, Jeanne Plinski, Becky Nugent and Judy Hayden. Preparation for the Homecoming finale began as Leslie Geymann became junior princess. Likewise appropriate as a princess was Marilyn Mowery who took the junior title to the Girls' League Dance. We had united for the Prom all year, and "Deep in a Dream" became a reality on April 23. Prom Queen Connie Bauman was the loviest of all our beautiful princesses there. Jan Friesen, Becky Nugent, Janie Holmes, Judy Hayden, Jeanne Plinski, and Judy Manthe made up the finishing touch to an enchanting court. The lovely lady of Lebanon lighted up the evening as we danced to the clouds "Deep in a Dream." Our year has been memorable and enjoyable. It has been filled with hopes, tears, sighs, and joys but we are looking forward to our senior year with all hopes high.

## Fellow Students:

Our Student Body Officers this year have undoubtedly set a new record of achievements.

Mr. Page, our Student Council advisor proved to be very efficient by having a perfect record of tardiness at every meeting.

Then there was the time, at the end of a Pep Assembly, when we all waited in silence for our Student Body President, Delbert Spiker, to dismiss us. He was soon found asleep on the hallway heater.

Don Fromherz, our Vice President, has never been known to goof, however, there is that time he got the flags in upside down.

Sue Durlam, Student Body Secretary, through necessity, finally learned to read and write.

Our treasurer, Cheryl Copeland, proved herself very capable the first few weeks of school by sending out numerous checks without the signature of our beloved Principal, Mr. Page.

But seriously, a great deal of time has been put in by everyone connected with Student Council and we have tried to make our school a better school in every way.

# Choir

Choir is one of the biggest clubs in school. Under the direction of our capable director, Mrs. Tucker, we have performed several times during the 1964-65 school year for school and public functions.

Membership in this club is not too difficult. The members are usually promoted from Girls' Glee and Chorus into Choir.

Our club is a fun club where everyone participating gets together and sings. Although it is fun, we must also work hard so we will sound just right. We would like to thank our advisor and teacher, Mrs. Tucker, for a successful and memorable year.

## Double Trio

So often people think that courses in singing are taken as an easy class. Our group, which has performed at such occasions as the Christmas Concert, various talent shows, and school programs, shows our achievements for this year. These experiences have prepared the members of our group for choir. It also gives future members of Girls' Glee something to look forward to and work toward. We thank Mr. Tucker for the fine work she has done with us and for making this new club possible.

# Paletteers

This year has been one of Paletteers most active. The largest project, the Tri-City Spring Art Festival, was a big success with approximately 1,200 visitors. For four days, March twenty-fourth through March twenty-seventh, art work from Lebanon, Corvallis, and Albany students was displayed in the old Safeway building.

Paletteers also decorated the gym for May Day. The stage was shaped as a large pink and white basket, complete with a large white bow on top. At the far end of the gym was a tall May pole with pink and white streamers.

We had a very busy and successful year with two large projects.

## Hi Light

Hi-Light is a bi-monthly publication of first and second year journalism students. The purpose of our club is to create interest as well as to inform the student body of activities in the school. In class we are taught various methods and styles for writing news articles. Some of these are then published in the school paper. We would like to thank our helpful advisor, Mrs. Mayer.

# Drafting

The drafting club is a new club in school this year. We may lack a little experience but the experienced we needed, we found in the members themselves. During the course of the year we had a number of trips which kept our hearts young. We took a trip to the Crown Zellerback Company. We also had two trips just for fun. During these trips, we relaxed in the refreshing Sweet Home pool. The final climax will come with the big trip of the year to Boeing. This plant is in Washington and produces airplanes and jets. This trip had already been planned and we are looking forward to it.

# Modern Dance

We are a small group but we enjoy working together to help ourselves to understand the meaning of dancing.

Our most recent event was performing in the May Day festivities with a dance called "Spring Fantasy."

The members are made up of anyone who wants to learn more about dancing and also wants to perform in the dances we do.

We owe our thanks to our advisors, Mrs. Barter and Miss Trout, for their help.

Future Business Leaders of America consists mostly of students who are interested in a secretarial or business career. Our club was organized to stimulate interest and achievement in this field. Our activities stress these things.

This year we started an annual business course competition with other schools. There were contests in such things as shorthand, typing, accounting, and briefhand. This proved to be a big success and we plan to continue it. Much thanks goes to our advisors who helped us so much.

The purpose of Future Homemakers of America is to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home membership, to encourage democracy in home and community life, to work for good home and family life for all, to promote international good will, to foster the development of creative leadership in home and community life, to provide wholesome individual and group recreation, and to further interest in home economics.

Our activities have consisted of a cookie cutting party and activities. Parents night we had a guest speaker talk on the cause of juvenile delinquency in this community. Also Sweet Home's F.H.A. invited us to a swimming party. We have had a happy and successful year.

Lebanon's Future Nurse Club, under the supervision of Mrs. Snelling has given a commendable amount of time in service to the community. Each of the senior and junior members gave an afternoon of their time in volunteer service each week to the Community Hospital. The visits of the Blood Mobile was another outlet of energy and service given by these members. The Vision Clinic, sponsored early in spring gave these future nurses another chance at first hand experience in one of the world's best fields of service.

## Library Club

Library club is one of the service clubs in our school. Its main objective is to help the school and public librarians with their duties. In doing this, the members, who must be past or present Library Science students, are able to learn about the library and its functions. This past year the members of the club have gone on a field trip to the state library in the Capitol and the South Salem High School library, taken petitions around for the prospective community swimming pool, sold tickets for the Public Library Benefit Dinner, and sponsored a tea for the new Library Science students. The club performed well under the direction of Mrs. Jones, librarian, and Mrs. Santos and Mrs. Shipler, library clerks.

In December the senior girls decorated the annual Christmas tree and the junior girls decorated various bulletin boards in the halls. Also, in this month we took up another silver offering. This time it was for the people at Mary Ellen's Nursing Home. In April we took up a silver offering for Easter seals.

## *Activities*

No, this is not a revolution despite the implications. What you see here is the transformation of fools to freshmen. The cheers look like those of enjoyment, as they were destined to be this day.

## The Freshman

Use your imagination to discover the identity of this chap. One thing is sure, he is a freshman who was trying to get away from the day in store for him by swimming. Too bad the innertube wouldn't fit in the water fountain, kid!

The seniors looked forward to their day of authority, and nothing shows this to be true more than this captured pose of somewhat unidentifiable freshman. Shave cream had never been so much a part of their lives.

## Come To Stay

Remember . . . ? At the mercy of what seems to be our ancient warrior several freshmen are finding out what it is really like to be a lowly rook.

The night of Homecoming was truly memorable as the princesses gathered for this formal pose. Left to right are escort Ron Burian, Princess Malinda Taylor; escort Dan Haile, Princess Haruko Hino; escort Bob Allen, Princess Leslie Geymann; escort Dean Barnes, Princess Kim Fisher; Princess Judy Ray, escort John Girod.

### A Night To Remember

Princess Christine Hickey smiles with joy as the festivities get under way. Riding on the float made by the senior class, Chris reigned throughout the eventful eve.

A night to remember was the world of the winter formal sponsored by the Girls' League.

A bridge into a different world broke the spell of the winter semester.

Paul Girod and Janie Holmes dance during the evening's festivities.

## *Then Came The Formal Times*

*All Because  
was frighteningly*

"Vini, vici, vini, goose feathers and garlic cloves." That was the line that sent witch Agatha into a rage.

Mr. Burtner, drama coach, talks to the cast members at dress rehearsal the night before the satirical comedy.

of Agatha

funny....

The O'Haros watch the frightening image of a witch come to life in their living room as Agatha Forbes, played by Janet Lohr, returns for her annual haunting spree.

Agatha is gone, and forever. Duff and Joanie now make up as life for the average American family re-sums, and goes on, happily ever after—or until Agatha Forbes return.

Playing the part of the stereotype medium, Jeannie Stryker adds her own bit of enthusiasm to the part of Madame LeSolda.

## Pep Assemblies

"Le . . . Le . . ." Who can ever forget those Friday afternoons. Spirit was high on these days, and support for our team ran high.

Part of the entertainment and spirit producing events of the pep assembly is the skit. Here it is being demonstrated by senior girls.

Bob Allen, one of the newly selected boy cheerleaders gets into the Warrior Spirit.

Assemblies also included a warning issued by the employment office and industrial accident association on the hazards we face everyday.

## *We Assembled*

The usual sight at an assembly is depicted by these junior boys as they enjoy the change from classroom drudgery.

Warren Sousa and Jerry Hubert perform for the freshman class assembly. History as never been so funny—at least not in school!

## For Assemblies

It's the bit, the guy who can solve everyone's problems by his own. The freshman incorporated this idea to add humor to their showing.

*Then*

Escorts and enchanting princesses graced the Prom night for many. The stars seen in the eyes of all the couples at the Prom made it seem to truly be a night that everyone was "Deep In A Dream." Featured from left to right are: Don Towery and Jan Friesen; Bill LeFors and Jeanne Plinski; Gary McMahn and Kathy Hously; Crown Bearer Tod Simpson; Don Reimer and Queen Connie Bauman; Steve Summers and Becky Nugent; Leland Petrik and Judy Hayden; Terry Smith and Janie Holmes.

# Busy Hustle

The great meditation of the Lebanon Voter is demonstrated here by Dan Standley as he weighs the issues in Jon Morse's campaign headquarters.

"Ask me if I care." Actually Bill LeFors, candidate for president, is just giving a speech on the probability of over-thrown the schoolboard.

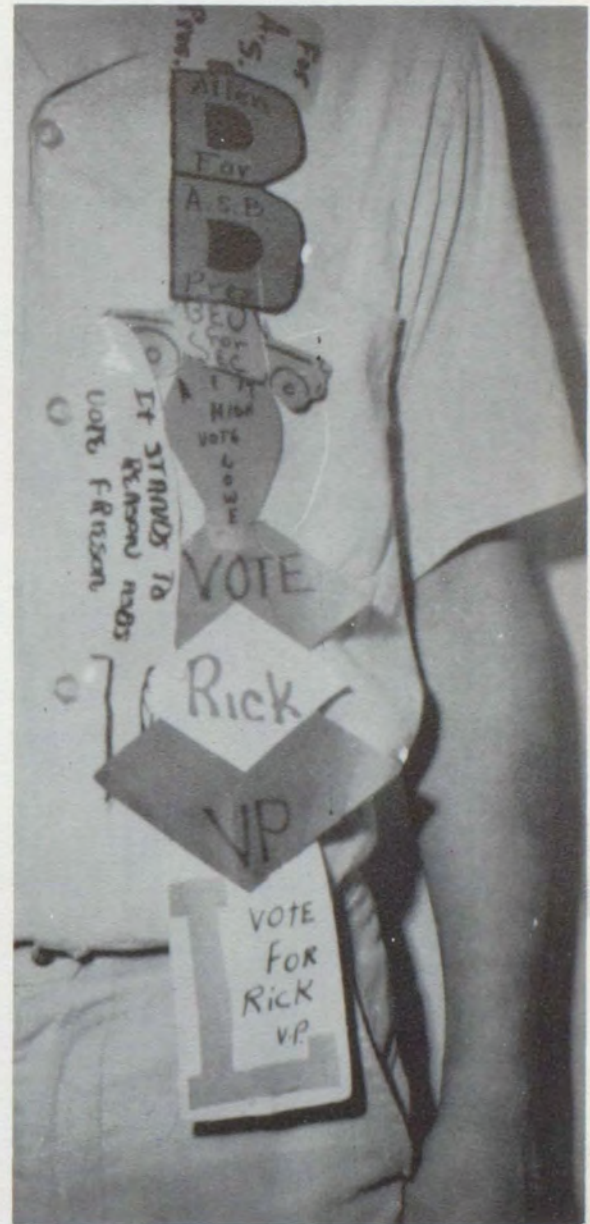

The tensions were high as the nomination assembly got underway. Pictured above are candidates for vice-president Jon Morse, his campaign manager Shirley Harvey, and Rick Mailoux with his campaign manager, Eric Chandler. Jodi Reeves, running for secretary sits at far right.

# Election Bustle

Although this may vaguely resemble Vic Bartruff, it is a member of the Beverly Hillbillies. The shotgun is held by "Granny" Janet Lohr, and "Pa" Greg Gourley talks to students.

"So, I just haven't decided yet!"

## Varsity Basketball

The 1964-65 basketball season can be labeled a success. The win-loss records don't show this, but there was more to it than the scores.

The Warriors started with a very respectable showing at the Jamboree while teamed up with Corvallis. Lebanon and Corvallis combined to knock off Albany and Sweet Home.

The Warriors started the season with the Sweet Home Huskies and a win. The Warriors came out on top: 55 to 46. The Warriors met the Huskies three more times with three more wins. The Tillamook Cheesemakers were the Warriors next match and again the Warrior Quint came out on top with a score of 37 to 32. Then the Lebanon bunch went down South for a double header with Crater and the Warriors on the first and dropped the second.

The Warriors then met the fifth place finalists at the state tournament. We lost with a score of 54 to 38. The undefeated Springfield Millers met a determined band of Warriors and barely pulled a win in the remaining minutes of the game with a score of 59 to 54.

District started with the tenth-ranked North Salem team at Salem. The starters for Lebanon were Dan Standley, Tom Mechals, Del Spiker, Steve Summers and Chuck Briskey with Mike Lee and Bill LeFores alternating in. The Warriors were set for the Vikings and upset them 52 to

51. The Warriors did the same thing, but fell to the Vikings in their last meeting.

Albany must have had Lebanon's number because the Bulldogs won all three contests the two teams had together. The first was a real squeaker with a score of 29 to 27. South Salem, with good depth and tremendous height, was too much for the shorter Warriors. In the first game, the Warriors fell 45 to 39, but the second was much closer and gave the "big boys" a run for their money. Corvallis with good size and personnel took the Warriors all three times but the second game was a real thriller with the Warriors holding a ten-point lead, 31 to 21, at half, but fell in the end with 60 to 57. The Warriors then met Sweet Home for the final time. During the middle of the season, the Warriors met a new opponent in their schedule, Estacada. The Warriors won by a narrow 53 to 52 margin. The Warrior team was composed of eight seniors, Steve Summers, Del Spiker, Chuck Briskey, Dan Standley, Mike Lee, Jeff Beach and Don Fromherz, and two juniors, Bill LeFors and Damon Huston. They showed great hustle and desire all year and never gave up. The Warriors continued to draw crowds even though they weren't winning all of their games. So you can be safe in saying our basketball season was a success.

## Varsity Wrestling

Coach Dick Weisbrodt's Warrior Matmen started the season in a dual meet with Madison High of Portland and lost a close one 24 to 29. The Warriors, young and not having the "so called" horses it would have liked to have, met the tough David Douglas bunch and were soundly beaten with a score of '38 to 13 by the Scots. Then the Warriors met the Albany Bulldogs and won with 35 to 18 in the first match. We also won the second by a narrow margin of 29 to 16. Then they met the district and state champions, Corvallis, and felt the strength of the Spartans as they fell to them with a score of 40 to 10. The second match was almost the same, Corvallis on top with 37 to 6.

Next, South Salem met a determined host of Warriors and were soundly beated with 36 to 14. The second contest saw the Warrior grapplers on top again with 30 to 15. North narrowly beat the Lebanon boys with 24 to 22 in their meet, but gave them a tough run for their money. The senior matmen for the Warriors were Doug Jost, Gary Busby, Ray Beattie, Jim Merzenich, Mel Larson, Don Lehn, and Rich Wallace. Juniors who will be the ring leaders for next year will be state champion, Rick Mailloux, Mike Dieterick, Gary Thompson, Don Towery, Don McCloud, Fred Jaross, and Ron Bremer. The sophomores holding down varsity spots were Phil Strover, Scott Schmidt, and Marv Carter. The Warriors finished in a respectable third place in district and did a better-than-expected job pulling out a well-deserved eight spot in state.

The Lebanon High Warrior trackmen under Mr. Reynolds, head coach, and Mr. Santos, assistant, enjoyed one of the better seasons the team at Lebanon have had. The big suprise of the season was the upset of South Salem by Lebanon in their first duel meet. North Salem and Corvallis were the only two teams to beat the Warriors in Duel meet competition. The team did very well especially considering it was made up of underclassmen almost entirely.

Coach Reynolds' Lebanon High Cross Country "Harriers" in existence for only the second year at Lebanon High School finished their running with a good season. Most of the boys were out for preparation in the spring. Earl Hull, junior, is a strong member of the team, as a two mile runner. Mike Shurts, junior holds the half-mile run record. Harold Zeek was the member who was the "point getter" for the Cross Country team this year. They will miss his performance on the team next year, along with Gary Simon, Dennis Scott, and Ramie Dixon.

## Varsity Baseball

Coach Helbergs Warrior baseball players had a very respectable 8 win 12 loss season, playing some real tough competitions. The real surprise in the league was their upset of North Salem, who was ranked very high in state standings. The score was 1 to 0 with some great pitching by Mil Presley. Handing the position on the diamond this year were: Monte Burmester, Steve Summers, Jeff Beach, Louie Masog, Don Sitton, Paul Girod Mike Manela, Ray Perkins, Bill Spiker, and juniors who you will hear from next year in the spring. Along with a big win over North, Lebanon, beat South Salem twice. It's a always good to beat a Salem school which is much larger in size.

# Seniors Class Summaries

We, the class of 1965, say goodbye to LHS realizing we are about to go forth into the cruel, heartless world, but at the same time sensing that we go not unprepared.

Our freshman year began with felt pens, lipstick, egg yokes, standing on the bus, carrying books, and ended the same way. Our leadership was attributed to our class officers, Delbert Spiker, Terry McMains, Cheryl Copeland, and Audrey Schmidt. The freshmen though we were, we managed to make our mark in sports. Right behind our boys leading rook-size "Hoo Ra's" were cheerleaders Pynne Cutts, Ellen Stenberg, Betty Moss, Gail McCoy, and Sue Miller. As our first Homecoming approached, Diane Wynn was selected by the class as freshman princess.

We maintained our elatedness into our sophomore year as Vic Bartruff, Steve Summers, Jeannie Stryker, and Bev Barnum took as class officers. Our cheerleaders were Ronelle Race, Pynne Cutts, Gail McCoy, Betty Moss, and Ellen Stenberg. They brought us into a spirited JV sports campaign.

It seemed like no time at all before alums returned for a look at LHS the night of Homecoming. As sophomores we chose Betty Moss, or rather Princess Betty, to represent us at the court that night. It was the year of Karneville and Sue Durlam and Delbert Spiker set the stage for sophomore festivities. Although the seniors won, we were there to give the lounge fund a boost.

Hitting the half-way mark we transformed ourselves from lower-upper classmen to upper-lower classmen. It was our big year and we needed the leadership of our officers Mike Lee, Gary McMahan, Janice Marshall, and Marilyn Liming. We joined forces with the Varsity for a somewhat unsuccessful but very exciting year. We were well supported by our juniors who made the Varsity Yell Squad, Betty Moss, Pynne Cutts, and Mickey Underwood. As football season came to a close Audrey Schmidt escorted by Sam Sherwood represented us at Homecoming.

The Girls' League Formal was our next exciting event as Marilyn Liming took the junior princess title to "Vison of Venus."

Down from the stars and back to schoolwork was the way spring began. Cheryl Copeland was announced as the American Field Service finalist and made preparations for a trip to Germany.

Being juniors our time had come to put on the Prom. "Spring in the Orient" was the chosen theme, and our prettiest junior girls reigned over the occasion. Queen Cheryl Drew escorted by Don Fromherz, Ellen Stenberg, escorted by Bill Harwood, Pynne Cutts, escorted Lester

Modderman, Betty Moss, escorted Paul Girod, Sue Durlam, escort Delbert Spiker, Cheryl Copeland, escort John Kattrell, and Audrey Schmidt, escort Sam Sherwood were the court of "Orient."

Although we were only juniors, our senior responsibilities came as student body election began. A jungle of posters lined the halls and politics at LHS came to life. The outcome was Delbert Spiker as president, Don Fromherz as vice president, Sue Durlam, secretary and Cheryl Copeland, treasurer. Our junior year ended and so did an era of our lives. When we returned on the fall it would be for the last time . . .

Fall came as we knew it would and the class of 1965 had reached the top. Now we were looking down instead of up as we had for three years. Our senior year brought us many friends, and among the best were Haruko Hino, from Japan and Daniel Haile, from Ethiopia.

Class officers for our last year were Terry McLean, president; Bob Bailey, vice president; Shirley Harvey, secretary; and Cheryl Drew, treasurer.

It seemed as though we had been saving shaving cream, felt pens, egg yokes, and such mixtures for 3 years, so initiation day would end in sweet revenge. It was too! We turned completely varsity as football season was kicked into view. Under the peppy leadership of yell queen Betty Moss, the yell squad including senior Pynne Cutts, we were in store for a spirited year. Homecoming came to us for the last time, and Christine Hickey was crowned queen under the lights of a memorable eve.

The formal times began as Sharon Roosa was crowned queen at the Girls' League Formal. Down to earth again for a little while, we maintained ourselves until Prom time. This year we went as quests, instead of hosts.

May Day broke the solemnness of the last nine weeks by declaring a holiday for all. Queen Shirley Harvey and her court, Audrey Schmidt, maid of honor, Marlene Sjolander, Marilyn Liming, Ellen Stenberg, Haruko Hino, Barbara Reeves, and Christie Morley reigned over the spring festivities. The year was coming to a close and graduation was soon to arrive.

As we depart from these halls and classrooms we know we will never depart in memory. We share the happenings of four wonderful years. The memories of our high school days will remain with each of us somewhere between a tear and a smile as we depart to new experiences. In the words of Henry David Thoreau: "Perhaps it seemed to me that I had several more lives to live, and could not spend any more time for that one."

## From Ethiopia Came Dan;

Lebanon will not be the same when Dan Haile and Haruko Hino leave for home. Their presence has enlightened our year, and will continue to enlighten our memories. Wherever our future will take us we will never forget the understanding and friendship that has bound the countries of Ethiopia, Japan, and the United States this past year.

We have good memories . . . Homecoming night when Dan and Haruko joined the court as a royal couple . . . the day Governor Hatfield came to speak to us and Dan and Haruko were there to meet and talk with him . . . the May Day festivities as they once again joined the court . . . their talents in the senior assembly . . . the times we spent talking together . . .

# Japan Gave Us Haruko

We hope their stay in Lebanon this brief year was as enjoyable for them as it was for us. They became a part of our school as they did a part of our town and our country.

But we have not taught them everything; no they taught us too. We learned from them that teenagers, as people are the same every where, and though an ocean may divide us physically, our hearts and memories will remain with one another.

We are truly sad to say good-bye to our friends, but the world must go on. Where ever the future may find them, they will always be our friends, our classmates, our family, and our countrymen.

We, as seniors, would like to dedicate our senior section to those teachers who have long been a part of the senior year. We appreciate the help and guidance they have given us.

There were quarter sheets of paper, income tax forms, English themes, quotation notebooks, and current events . . . all from the lazzefaire school of thought.

We will always remember the famous last words including " . . . and like that," "Now class, I have a few announcements to make . . ." and "Now cla-s-s. . ." We will always think of these wonderful teachers who used such phrases constantly in the task of trying to teach us something.

Thank you, from the bottom of our diplomas.

## Lebanon Music Festival At Sweet Home

Music time is any time! This month Lebanon's music department has put particular emphasis on the preparation for the Tri-City Music Festival, which was held at the Sweet Home High School yesterday, and for the orchestra tour to be held next Wednesday.

At the festival, each of the groups, the choirs and bands from Lebanon, Sweet Home, and Albany, first had individual group practices under the direction of the guest directors, Mr. Risinger for choir and Mr. Petraso for the band. Following this the mass groups rehearsed in preparation for the evening program.

The evening concert, held in the Sweet Home gymnasium, included approximately a 12-minute performance by each individual group and then several numbers by the massed band and by the massed choir. The massed band played "Thunderbird," "Gallant Overture," and "Klaxon March," and the massed choir sang "Goin' to Boston," "Adoramus Te," and "Onward, Ye Peoples."

Next Wednesday the orchestra members will tour a number of the Lebanon schools throughout the day. They plan to play at the Lebanon Junior High, Seven Oaks School, Hamilton Creek, Lacombe, and possibly several of the elementary schools in the area.
