FOR IMMEDIATE RELEASE
Thursday, June 15, 2023

NOTICE OF CONSTRUCTION

Beginning Tuesday, June 20th, the intersection of 5th Street and Vaughan Lane will be controlled by flaggers to allow for the City of Lebanon's contractor to connect the new sanitary sewer main on 5th Street to the new manhole in Vaughan Lane. It is anticipated that this connection will only take a few days. 5th Street south of Vaughan Lane will remain closed to through traffic for the majority of the summer.

Motorists using Vaughan Lane should expect delays for upwards of 20 minutes at a time. Residents within the impacted area will be afforded reasonable access but should expect periods of time when access to individual driveways may not be possible in addition to periodic delays and other construction related inconveniences.

Residents are also encouraged to go the City of Lebanon website at <https://www.ci.lebanon.or.us/gis> for continuous updates regarding construction location and current road closures.

We thank you in advance for your cooperation and patience as we continue construction of the project. If you have any questions or concerns regarding this project, please contact Engineering at 541-258-4923 or engineering@ci.lebanon.or.us.
